INTELLIGENCE QUESTIONS

- I. What is the likely course of events in SVN over the next ten months? What will ARVN and the GVN be capable of doing? ~~(is the attached estimate an accurate one?)~~
- II. What is the likely enemy strategy over the next ten months if
 - (1) MACV continues to pursue its current strategy with no increase of forces, or increases of 50,000, 100,000, or 200,000
 - (2) MACV alters his strategy to emphasize population control with no increase of forces, or increases of 50,000, 100,000, or 200,000?
- III. What would the response of Hanoi, Peking, Moscow, other key countries be to a U.S. troop increase of 200,000?
- IV. Assuming that we halt the bombing and talks with Hanoi begin, what terms for an end to hostilities will Hanoi be prepared to accept? What would happen to the GVN during such negotiations?
